Ingredients

- 24 Italian style meatballs
- 1 (8 oz) pack spaghetti
- 1 cup tomato garlic onion chunky pasta sauce
- 1 cup classic Alfredo sauce
- 2 tbsp. parmesan shredded cheese

How to Make

Step 1. With the help of a grown-up, cook the meatballs and spaghetti just like the package says and set it aside. Heat up both of your sauces and pour them into individual serving bowls.

Step 2. Here comes the fun part! Dish up the spaghetti, then everyone can make it their own with meatballs, one or both sauces, and sprinkled parmesan. Twirl and enjoy!
