**Sizzling hot like a
fire-breathing dragon!**

Ingredients

- 1 (14oz) original cheddar deluxe macaroni and cheese dinner
- 4 sourdough English muffins, split and toasted
- 1/2 cup pizza sauce
- 1/2 cup shredded mozzarella cheese
- **Optional:** chicken wing sauce or sriracha sauce

How to Make

Step 1. With help from a grown-up, prepare the macaroni and cheese dinner according to the package directions and set it aside. It's cheesy and delicious!

Step 2. Place all 8 English muffin pieces on a broiler-safe baking tray. Spread each one with 1 tbsp of pizza sauce and top them with 1/4 cup of the prepared macaroni and cheese. Now they're starting to look like pizzas! Sprinkle 1 tbsp of mozzarella cheese on each. Enjoy the leftover macaroni and cheese as a snack while you cook!

Step 3. With a grown-up's help, place the baking tray at least 6 inches away from the broiler. Broil them for up to 3 minutes until they're hot and beginning to brown.

Step 4. Drizzle the pizzas with the fiery chicken wing or sriracha sauce if you like, and serve them hot enough for a dragon!

Fishlegs' Tip: Get creative by adding your favorite pizza toppings for a custom snack.
